Replicating Petrarca's choice in De vita solitariaMontaigne chose to dedicate himself to the Muses. In the studies produced abroad, the adventures of the short-lived state in the Ionian Sea are placed in their international context, the Napoleonic Wars and Russian expansionism in the Mediterranean. The composition of the text may have begun in the last centuries of the 1st-millennium BCE, its first version complete by about the 3rd-century of the common era, asserts Ramachandra Dikshitar - known for proposing ancient dates for Indian literature. You never really know.
