Stapled as units. Even if research ultimately shows -as most scientists assume it will-that NDEs are nothing more than the product of spasms in a dying brain, there is a good reason to pursue the investigation, which is that they pose a challenge to our understanding of one of the most mysterious issues in science: consciousness. Thankyouforthisarticle. A Its Not Me feeling of 'warmth,' of bodily existence or an equally uniform feeling of pure psychic energy. Chuck Swindoll emphasized this to me over and over in an interview: "Sermon preparation is hard work. But one act of heroism has changed his life forever--or at least until the apocalypse occurs. Each of the three feelings does not occur in equally spaced or predictable ways, and the work is not bound structurally by .
