Germany may not be France or Italy, but it has managed to make a name for itself in the fashion industry nonetheless. Quite the unique read with complex characters with a bit of a fantasy element. The book itself is short, but rightly so; this isn't a book that proclaims to cover every single aspect of law school as other books have done in the past, some successfully, some not so much, and the market is crowded with good examples of both nor is it a book that proclaims to cover some single niche aspect of law school and legal education. Il titolo dovrebbe essere di almeno 4 caratteri.
Maybe not totally fair. This is the best book I have read in a .
