Falling Awake

Drawing on two recent, large-scale, and nationally representative databases, the Lubienskis show that any benefit seen in private school performance now is more than explained by demographics. From its 24th-century headquarters, the Company sends orders back in time to Mendoza and her fellow cyborgs, who collect stuff from the past and send it ahead through time machines for inscrutable uses.

Tank Girl: Gold #3

You know, there's a point where you've read countless books in a genre that you start to anticipate what will happen right from the start. Lines and paragraphs break automatically.
