## **Spoken from the Heart: Blessed By His Love**

In the last decade alone, several new species of amphibians

were described from this island, and yet, many experts suspect that the true amphibian diversity of Sumatra still remains unknown. Furthermore, because there are established hardware differences between varying 3DS models, it is possible that if you remove the software restriction, your United States 3DS console may lack the proper hardware to properly play Nintendo software from another region.

### **Spoken from the Heart: Blessed By His Love**
