Video released by the police showed someone riding outside the subway car in the rear of the train, which is apparently the bandit's favorite way to avoid apprehension. It tells how the people of those countries lived and worked - how they dressed, built their homes, travelled, played and fought. At the center of his proposal was the idea about the existence of the particular socialist potential among the Andean Indians which was possible from their own peculiar historical development. He presents his arguments with great skill. French loans to its former African territories totaled CFA Fr50 billion by Novemberwhen President Pompidou announced that France would cancel the entire amount including all accrued interest to lighten these countries' debt burdens.
